- 2) Up to 16 children per cohort (ages 30 months to school age) will be transitioned to a daycare program at 12:00 PM. It will run for the remainder of the day from 12:00-5:30pm. The remaining children (up to 4 per cohort) will only attend the half-day preschool program and will be picked up at 12:00 PM; afternoon daycare for the remaining 16 children will be provided at an 8:1 child-to-staff ratio.
- 3) Purcell Preschool will provide a full-day Forest Preschool Program for up to 16 children per cohort (ages 42 months to school age) with an 8:1 child-to-staff ratio.
- 4) Purcell Preschool will provide full-day daycare for an Infant-Toddler cohort of up to 16 children (ages 6 – 36 months) with a 4:1 child-to-staff ratio.
- 5) Cumulative hours of operation will be Monday to Friday, 8:00 AM – 5:30 PM.
- 6) Purcell Preschool will be open 12 months a year, closing only for Statuary Holidays and for two weeks at Christmas per the local school district's schedule.
- 7) Purcell Preschool will encourage a nurturing play-based learning environment with natural and opened-ended materials that help promote self-directed learning and conversation. A well-rounded program will be implemented to help support each child's developmental needs.
- 8) Purcell Preschool will follow a structured schedule to guide activities. It will be published on its website and available to Parents/Guardians via email or in print upon request. The schedule's daily implementation is subject to circumstance and may be altered or adapted at the discretion of the ECE Manager in support of the overall management of the child-care facility and the health, safety, and best interests of the children and staff.

**POLICY**

Purcell Preschool will facilitate an enrollment process that is structured to support orderly registration for and induction into the Preschool's programs. Enrollment and ongoing participation in the Preschool's programs are at the sole discretion of the Preschool.

  - 2) any adjunct agreement or consent forms signed by the Parent(s)/Guardian(s);

## **POLICY**

All fees must be paid during the first week of the month. Registration fees are non-refundable and non-transferable. One month's written notice or payment in lieu of notice is required to withdraw your child from the Preschool. Notice to withdraw from care must be given on the 1st day of the month.

## **PROCEDURES**

- 1) Families have the option of paying by cheque, e-transfer, or credit card (third-party processing fee may apply). Cash payments will not be accepted.

- 3) Families with fees outstanding for 30 days will be asked to withdraw their child until their account is current.
- 4) A child-care subsidy through the Provincial Government is available for families who meet the criteria for assistance. A parent or guardian who qualifies for subsidy pays the difference between the subsidy amount and our fee. It is the Parent's/Guardian's responsibility to apply for subsidy.
- 5) Purcell Preschool participates in the Child Care Fee Reduction Initiative (CCFRI); the fee chart reflects this amount and is the parent portion.
- 6) A \$45.00 fee will be charged on all NSF or returned cheques.
- 7) If a Parent/Guardian would like to make any changes to your payment (form of payment or date), we require advance written notice (seven days).

- 9) Late charges: Purcell Preschool closes at 5:30 PM daily. Parents/Guardians will be charged \$10.00 for every 15-minute block they are late after 5:30 PM. - 10) If behaviours, challenges or other issues arise (involving a child and/or their Parent/Guardian) that are beyond the capacity of Preschool staff to address and/or accommodate and/or if such behaviours, challenges or other issues negatively impact the experience and/or safety of the staff or other children, a child may be withdrawn from the Preschool at its sole discretion and without refund.

**POLICY**

Purcell Preschool will not engage off-site activities as part of its regular programming. The Preschool will make use of an on-site play area for outdoor play and learning opportunities. Off-site field trips are permitted as appropriate to learning goals and experiences.

- 7) Staff will have their mobile phones with them in case of emergency.
- 8) Field trip forms will be submitted to the ECE Manager for approval and then signed by Parents/Guardians.

## **POLICY**

- 4) If a child is sent home with a suspected communicable disease, the Preschool will require a doctor's note stating that the child is NOT contagious and/or well enough to attend the Preschool.
- 5) If a child becomes ill or injured while at the Preschool and has significant and/or persistent symptoms and/or pain, Parents/Guardians will be notified and may be expected to pick up their child immediately. If a Parent/Guardian cannot be reached alternate contacts on the registration form will be called.
- 6) All medications are stored in a locked container or cabinet that is inaccessible to children. Children are not given any medication without a signed consent-to-administer form filled out by the Parents/Guardians. All provided medications must be in their original bottles with the label intact. Staff will indicate on the form the date, time and dosage of medication provided to a child. It is the responsibility of the Parents/Guardians to inform staff of the last dosage given to ensure medication is given at appropriate times.

- 7) A list of allergies applicable to children in each cohort will be posted in each classroom. Parents/Guardians must update the Preschool in writing if/when a child is diagnosed with a new allergy and must provide the Preschool with medication and/or Epi-pens if/as required.

**POLICY**

Children will only be released to the Parent(s)/Guardian(s) or authorized alternate contacts as listed on the registration form, as submitted initially or updated by request of the Parent(s)/Guardian(s). If the alternate contact is unknown to the staff they will be required to show picture ID for confirmation.

**PROCEDURES**

- 1) If children are not picked up at the mandated time (5:30 PM per the registration agreement), Parents/Guardians will be called. If staff cannot get in contact with the Parents/Guardians, the alternate and/or emergency contact(s) will be called. The Ministry of Children & Family Development (MCFD) will be notified if a child is not picked up by 6:00 PM without communication from a Parent, Guardian, or an Alternate Pick-Up or emergency contact person to explain the nature of the delay and to confirm a revised pick-up time and/or alternate plan.
- 2) If an authorized person attends Purcell Preschool to pick up a child and is deemed by staff to be incapable of providing safe care, then staff will suggest calling an alternate to pick up the child. If they insist on taking the child, staff will release the child to their care and call the RCMP.

**POLICY**

Purcell Preschool recognizes the importance of physical activity for young children. Physical activity supports the health and development of children, as well as establishing positive lifestyle habits for the future.

**PROCEDURES**

- 1) It is our expectation that children will go outside everyday, rain or shine. When weather doesn't permit us to be outside, we have access to an indoor gymnasium for active play.
- 2) We will increase indoor active play time so that the total amount of active play time remains the same if weather limits outdoor times.
- 3) We will provide a variety of play materials (both indoors and outdoors) that promote physical activity.
- 4) We will only permit screen time on special occasions (typically Halloween, Christmas, Easter, and pajama days in the form of a movie) or as part of a structured learning opportunity related to Information Technology.

**POLICY**

Healthy child development is best facilitated when children are properly nourished. Purcell Preschool will have extra healthy snacks on hand in the case of a child needing extra food. Staff will let Parents/Guardians know if their child is requiring more food.

**PROCEDURES**

- 1) Children develop best when they are properly nourished. Parents are responsible for providing nutritious lunches and snacks for the day.
- 2) The Preschool will have extra healthy snacks on hand in the case of a child needing extra food. Staff will let Parents/Guardians know if their child is requiring more food.

- 14) Children will be taught to use good table manners and to clean up after themselves.

## **POLICY**

At Purcell Preschool, we believe children have the right to quality care which is safe and healthy and provides learning opportunities that promote their growth and development. The Preschool will cultivate an environment that fosters social and emotional development by modeling and teaching appropriate behaviour.

## **PROCEDURES**

- 1) Staff will be guided by their knowledge and understanding of a child's growth and development, as well as an understanding of the individual child.
- 2) Appropriate guidance of the children's behaviour occurs in an environment where a trusting and caring relationship has been established between teacher and child. This can be achieved by showing genuine interest and warmth and by viewing the children and their feelings as important and worthy of respect.
- 3) The role of the staff is to support a child's sense of being a worthwhile person while providing opportunities for the child to learn appropriate ways to interact with others. Promoting positive self-esteem helps children to become emotionally healthy and self-confident. Once trust and a sense of security is established, the children will feel safe to express themselves, knowing that there are supportive and understanding adults who can be counted on to help them gain control of their own world.
- 4) Children are given the opportunity to express their emotions and are guided in appropriate ways of communicating their wants and needs to others. Adults empathize with the children and try to interpret their feelings and motives.
- 5) Child guidance is maintained through careful, active supervision, setting clear limits and giving age-appropriate explanations.
- 6) Staff will approach discipline in a positive manner, using praise and attention to encourage desirable behaviours.
- 7) Staff will treat each child as a unique individual and will be fair and consistent. They will encourage children to accept the consequences of their behaviour and engage in problem solving alternatives where age appropriate.
- 8) Staff will support the needs of children in the process of toilet training provided that the process is progressive and that the needs of the child do not significantly and persistently distract from other duties to the detriment of the other children in the cohort.
- 9) Purcell Preschool does not schedule nap times but will accommodate the individual needs of children who require time to rest or even sleep. If a child seems excessively tired or lethargic, Parents/Guardians will be informed.
- 10) Children are not permitted to bring toys from home to the Preschool for the purpose of regular play. It can be distressing for children be asked to share them and distracting and/or disappointing for other children who may be prohibited from playing with them. Structured show-and-tell days may be scheduled from time to time to enable children to bring toys on special occasions as part of a theme-based or other learning opportunity.

**POLICY**

At Purcell Preschool, children will participate in a variety of indoor and outdoor learning and play activities each day. Children should come dressed in comfortable clothing that is seasonally appropriate.

**PROCEDURES**

- 1) Clothing should be washable, and Parents/Guardians should be prepared for it to get dirty.
- 2) Parents/Guardians must provide one full change of clothes for their child which will be stored at the Preschool for contingency or emergency use. Items should be clearly labeled with the child's full name.
- 3) Parents/Guardians must provide a wide-brimmed hat, sunscreen, an extra set of mittens or gloves, and an extra toque to be stored at the Preschool. Items should be clearly labeled with the child's full name.
- 4) A set of indoor shoes (runners/sneakers) that will remain at the Preschool is required for each child. Important: despite being designated as "indoor shoes", these runners/sneakers may get used outside in the case of fire drills or due to issues with the child's outside footwear.
- 5) Parents/Guardians must review the weather forecast each morning prior to dressing their child, keeping in mind that outside time is an integral part of the Preschool's daily schedule.

## **POLICY**

Purcell Preschool will foster a child-care and workplace environment that is safe, secure, and supportive for children, staff, volunteers, guests, and Parents/Guardians.

## **PROCEDURES**

- 1) The Child, Family and Community Service Act (CFCSA) requires that anyone who has reason to believe that a child or youth has been or is likely to be abused or neglected, and that the Parent/Guardian is unwilling or unable to protect the child or youth, must report the suspected abuse or neglect to a child welfare worker. All staff will be trained in the reporting procedures required to support and engage this process.
- 2) The Preschool will nurture, support, and uphold an inclusive and accepting environment for all children, staff, volunteers, and Parents/Guardians regardless of nationality, race, religion, sexual orientation, gender identification, and/or disability; the ECE Manager will notify the Board of Directors any behaviours that negatively impact this environment and appropriate measures as required, including but not limited to dismissing a child from the program or terminating the employment of a staff member, will be taken.
- 3) Any form of harassment and/or threats or acts of violence by adult Preschool stakeholders (staff, volunteers, Parents/Guardians, and/or friends or family members thereof) will not be tolerated, could lead to a child's dismissal from the program or a staff member's employment, and may be reported to the RCMP.

## **POLICY**

## **PROCEDURES**

- 1) For the purpose of operating a childcare centre offering preschool for up to 40 children and daycare for up to 32 children there will be four full-time staff members and one part-time staff member to cover breaks: an 8:1 ratio for the daycare and a 10:1 ratio for the pre-school will be maintained at all times, while indoors and during outdoor activities.

- 4) The facility bathrooms are located outside the classrooms, in the hallway of the Preschool building. When a child needs to use the facilities other than at the scheduled times, the ECEA will take the younger-aged children and/or stand in the doorway supervising the older children.
- 5) The same plan will be used for going to/coming from the outside play yard for use of the bathroom; however, the ECEA will go into the building with all children regardless of their age.

## **ECE MANAGER ROLES & RESPONSIBILITIES**

- 1) Create a program of daily activities that are educational and engaging that children will enjoy and benefit from at a level appropriate to their developmental ability.
- 2) Contribute to the creation and ongoing development of policies and procedures for the Preschool that establish and ensure a safe and effective learning and care environment for children and work environment for staff.

## **POLICY**

Purcell Preschool has established the following procedures to be used when an emergency evacuation of the Preschool building is required.

## **PROCEDURES**

- 1) Potential emergencies include but are not limited to gas leaks, building fires, and forest fires.
- 2) In the event of an emergency evacuation from the Preschool building, children will be relocated to a muster point at the Rocky Mountain International Student Program office. It is located within walking distance, across the highway from the Preschool. The phone number is 250-427-2245 and the address is 8676 highway 95A Kimberley, BC.
- 3) In the event of an emergency evacuation from our immediate area, children will be relocated to the Kimberley golf course (Purcell Golf). We will need to rely on staff, neighbours and emergency personnel to assist with transportation as the Preschool does not have access to buses. Purcell Golf is located at 415 302 Ave Kimberley, BC. The phone number is 250-427-4161.
- 4) In the event that we need to be completely evacuated from the Kimberley area and Parents/Guardians are unable to come pick their children up, we will relocate the children to Cranbrook, BC. We will need to rely on staff, neighbours and emergency personnel for transportation assistance. We will meet at Kids on Campus childcare center at the College of the Rockies at 2700 College Way, Cranbrook BC. The phone number is 250-489-8220.
- 5) Notwithstanding the above-listed procedures, if a central check-in location is designated by the City or Province for public-safety reasons, we will relocate to that location.
- 6) When possible, a note will be left on the door of the Preschool for Parents/Guardians. Staff will also use all other available media (email, text, apps) to update and inform Parents/Guardians our location and the status of the children.
- 7) There will be backpacks ready in the event of an emergency for each staff member. They will be supplied with child emergency info cards, first aid kits, some spare clothing options, non-perishable snacks, some bottled water and books to help comfort the children.
- 8) Once the emergency is over and children are all with their Parents/Guardians, staff will meet and discuss the execution of the emergency procedures and what changes need to be made. Parents/Guardians will be contacted through messaging/email to solicit feedback on the Preschool's procedures to help improve them for future use.
- 9) Once it is safe to return to the Preschool and resume care, we will have an informal open house for Parents/Guardians and their children to support a comfortable and supported re-entry to the facility and smooth the transition back to daily programming.
- 10) The Preschool will prepare its staff and children for emergency situations with monthly practice fire drills and an annual practice emergency evacuation plan. This will ensure staff and child readiness and help to improve planning and preparation. Parents/Guardians will be notified in advance of these drills. Note: we will relocate to the field behind the school, not across the highway, during the practice emergency evacuation.

## **POLICY**

Purcell Preschool will adhere to and implement any orders from the Provincial Health Officer (PHO) and interpret and apply as applicable to best practice any additional guidance issued by the PHO, BC Centre for Disease Control, and/or Ministry of Health to support the health and safety of children and staff in the Preschool.
